

...Wild rivers
Land of adventure...

Team UR Pyrenees

Team Ur is dedicated to adventure tourism to offer our clientele the vastest variety of outdoor activities, respecting nature making sure next generations will be able to enjoy this.

Four kayakers passion for white-water at the end of the 80's were UR's beginnings .It's been over 16 years on which we've tried to develop activities suited for everyone, having in mind every single comment , good or bad , our clients have made. This and daily hard work has taken us to were we stand today.

Our clients smile is the best comment on our work, letting us know we are achieving the quality control we desire.

We've been granted the award for "Quality Compromise on Tourism" from the government of Spain based on our good management and quality service.

Sharing time with UR, means sharing an adventure!!

Our world wide expedition team who amongst other things have, first descents all over the world ,national and international rafting competitions, tv documentaries etc. Are the ones who are in charge of our international expedition trips which include amongst many others destinations places like Nepal, Zimbabwe, Chile, Uganda, Morocco and many others.

We are a team of professionals. All our staff, which includes guides, drivers, front desk, management, photographer, will all be making sure you'll have the best time from beginning till end. Making sure our activities are suited for you, being a school group, handicap, family or what ever your needs are.

Come enjoy with us, let your self be seduced by nature and our way of living it!

Where to find UR Pyrenees Murillo

Located on the pre-Pyrenees Aragón on the "Mallos Kingdom" you'll be able to discover incredible cultural and natural new world. Our base is located right under "Los Mallos de Riglos" surrounded by impressive natural sites, legends and magic...

Right in Murillo de Gallego, is where our base is. 45 to 90 mins away from important sites such as: Tena, Ordesa, Roncal valleys. Ski resort like Candanchu Astun, Panticosa, Formigal or cultural sites like: Loarre castle, San Juan de la pena, Jaca cathedral etc.

Through these beautiful sites is where the Gallego river is found which with time has become a "must" for white-water and outdoor sports lovers.

The series of outdoor activities and sports we have to offer include: Rafting, Canyoning Kayak, Hydrospeed, Climbing, Trekking, Paintball, High rope Courses, Canoe etc.

Our base is on road A-132 (Pamplona-huesca) in Murillo de Gallego, right beside "Los Mallos" hostel. You can see our 400m2 base from the road fully equipped with all the comforts you'll need to make your stay unforgettable from beginning till end.

We have another office in the beautiful city of Jaca 45 mins from Murillo where we'll be able to offer you a great variety of activities departing from there, such as: canyoning, rock climbing, abseiling.... A point of departure to see the central Pyrenees.

Our activities

Rafting

Meaning going down the rapids on an inflatable self bailing boat "raft" , steered by a guide and propelled by paddles which you'll be using, a full on team sport! Excitement and fun guaranteed.
Up to class III+, depending on age minimum 8 years

Canyoning

Combining white-water and climbing skills, going down a walled out canyon by jumping, abseiling, swimming and going down natural slides, finding something new and amazing on each corner.
3 levels of difficulty from 12 years on

Hidrospeed

The white-water experience. Going down the rapids with a water sledge, pair of palms and a special neoprene suite It's one of our most thrilling activities with no need of previous experience.
From 16 years on

Canoe

Canoeing is one of our most fun yet easy activities. On an extremely stable boat you'll be able to go down the river. They're double sitters and there is no need of previous experience.Guided runs.
From 12 years on.

Canoeraft

An inflatable, self bailing kayak, double sitter. Very stable which will let you go down our most difficult river stretch. Previous canoeing or kayaking experience needed.
From 16 years on

Open kayak

One sitter inflatable, self bailing kayak. Unsinkable, you're on your own except for the guide who'll be telling you where the best way to go. From 14 years on

Via ferrata

It's an easy way of experiencing rock climbing without the skills. A combination of trekking and hanging on, will allow you to be in places you've never dreamed of before.

From 14 yeras on

Kayak courses

The ultimate way to get down a river... Need a bit of patience and a lot of will. Takes time, but at the end of the day it's the best way to discover rivers and a new life philosophy. You'll get hooked!

Beginners, advanced, free style and creeking.

Min number of people per course 3-4.

Rock Climbing

We'll teach you the basics of rock climbing. You'll learn about gear, climbing techniques, abseiling. You can try it before making up your mind about taking the full course. All this in a world class rock climbing place named "Los mallos de Riglos".

From 12 years on

Paintball

The game consists on pre established goals set by the players or by an instructor.

Each player having a different role in the game being the point of the game is shooting paint ball at the players or different targets.

From 14 years on.

Highrope Course

Put on harness, helmet and a pulley get ready for a stroll over the tree tops. Enter a world of adventure going through our Tibetan bridges, nets, Tyroliennes, moving logs imagine a wild rainforest in a way only a bird could.

From 5 years on, not be afraid of highs.

More activities in the area

General Conditions

PREVIOUS NOTE.- In active tourism and adventure sports there's a high risk included. Our guides and trip leader have the experience and qualifications required. Following their instructions it's basically on what safety relies. .

1.-Our activities are subjects to weather conditions and people who participate on them so they can suffer last minute changes. In this case our clients can change the date, change for another of our activities or ask for a refund on what was already paid.

2.- The client is obliged to inform about possible pregnancies, heart conditions or handicaps before contracting any of our activities.

Also ensures he/she is not under the effects of drugs or alcohol. Or for that matter under any medication that could have important side effects. .

It's absolutely necessary to have Basic swimming skill for all our water activities. On our information brusher are specified minimum age and specific conditions. Under age children must have signed authorization or be accompanied by an adult.

On our high risk activities UR rafting will be able to test out clientele skills and decide whether or not the activity can be done.

3.- Our compromise begins when the activity starts. So it's our clients responsibility to get to the base or to where the activity begins. Our contract and responsibility are exclusively related with the direct work of our staff and activity organization. .

4.- Prices are per person and include what is described and taxes Unless contracted before lodging transport etc are not included . But can be arranged on request.

5.- The price includes gear and what 's necessary for the activity. You will be advised on what you need to bring.

Insurance

6.- Insurance is included on all our guided activities. Not included on gear rentals.

Assistance Insurance: Póliza nº 0109506488785 contracted with MAPFRE.

Así mismo Ur Rafting SLL cuenta con la correspondiente Póliza de Responsabilidad Civil ante terceros dotada de las coberturas y cantidades exigidas por los decretos reguladores del sector.

Civil Responsibility Insurance: Póliza Nº 98674 contracted FIATC.

La información completa sobre las condiciones y coberturas de los seguros está a disposición de los clientes en esta web (sección de preguntas frecuentes-FAQ), en los Centros de actividad y se enviará al que la solicite.

Contract Conditions:

7.-To confirm a reservation the client must pay in advance 25% of the full price 50% in case of more than 15 people .

The rest being paid before starting the activity . In case of the activity requiring some other form of payment the client will be informed in advance.

8.-The client has the right to change his mind on doing the activity, having the right of a partial refund paying the cancellation fees :

-Cancellation fees go from 10% of the full price of the reservation, if cancellation occurs more than15 days or less than 30 from than date of the activity , 15% if done between five and fifteen days or 25% between the last four days.

-Not showing up on the date and time scheduled by UR will mean a full payment from the clients of the reservation.

9.-From the moment the reservation is confirmed the client will assume full responsibility and acceptance of all these general conditions included the people on the reservation.
